### Registration based services of the library:

#### Borrow:

Quasi one and a half million books and other documents (e.g. CD, DVD and audiobook) can be found in our library. Our users can find proper literature in any themes and genre from fiction to doctoral theses. Documents can be borrowed at the circulation desks on every level or with the assistance of the automatic loan machines.

All materials borrowed must be returned on or before the due date, or if it is possible the date should be extended. Fines are charged for items returned after their due date (HUF 20/day/document).

We draw our kind users' attention that monitoring the deadline is their task, regardless of whether the library sends notifications.

#### Renewal:

If the document is needed after the expiration date, it is possible to renew the date personally, by phone or online (online services/online renewal). The due date of reserved documents is not extendable.

#### Reservation:

If the user wants to borrow a document, which is already in circulation, they can ask for reservation. Reservation is a subject to charges, (HUF 100/document) which must be paid after

the reservation fulfilled. Reservations can be demanded only in person. If the reserved document returns, the user will be informed (basically via e-mail). The document is set aside up to 7 days after notification, then the reservation will lapse.

#### Interlibrary loan:

The libraries of the Centre for Learning offer our registered users access to materials owned by other libraries if those materials are not contained in our collections. It is available only in person with the fill of the interlibrary loan application form. In case of a request of an original document, the postal fee of the return is borne by the customer. The cost of an electronic, scanned or copied document is established by the sending library and it is also borne by the customer. Journals cannot be checked out from libraries but copies can be requested about them. In case of a request from abroad the HUF 4.500 service fee must be paid in advance and the postal fee later. In case the document does not arrive from abroad, the service fee should be paid back after three months. The first notice after due date is sent via e-mail (or by mail in case of missing e-mail). In case of overdue items the library sends 2 notices to the borrower. After the 3rd notice the library takes legal actions to collect debts.
