

# Loan Policy for Tablets and E-book Readers

University of Pécs citizens are entitled to loan and use the devices within the framework of EFOP-3.4.3.-16 tender of the University of Pécs.

During the loan period, the reader takes **full responsibility** for the e-book reader or tablet and all accessories of the device.

Equipment can be loaned and returned **exclusively at the circulation desk on the 2nd floor.**

It is strictly forbidden to return these devices with self-service loan machines.

**Before returning, please remove all files and personal data saved on the device, as they will be deleted without opening and we cannot be restored.**

Upon return, the librarian checks the condition and contents of the device, which **takes time.**

If the device or an accessory is damaged or lost, the reader must replace it with a device/accessory of the same or newer type (e-book reader: micro USB cable, tablet: charger – charging head and cable). If this is not possible, the value of the commercially available device that can be purchased instead will be charged as a compensation fee – see below:

Type of Device	Fee (Ft/Device)
E-book reader	60 000
E-book reader – charger	10 000
Tablet	120 000
Tablet – charger	10 000

Furthermore:

**In case of e-book readers,** the loan period is 1 month; readers can extend the loan period once, for another 1 month; devices can be reserved; if the loan period expires, a late fee will be charged. You can find information about the reservation and late fees on our late fee schedule.

**In case of loan of tablets,** the device can only be used locally, it is forbidden to take it out of the building; the loan is valid until the closing hour on the given day and it cannot be extended; if the device is not returned by the specified time, the library card will be charged a late fee according to the current late fee schedule.
