Loan

About one and a half million books and other documents (e.g. CDs, DVDs and audiobooks) can be found in our library. Our users can find proper literature in any themes and genre from fiction to doctoral theses. Documents can be loaned at the circulation desks on every level or with the assistance of the automatic loan machines. The duration of the loan is 30 days for books or audiobooks, 7 days for music CDs and 3 days for DVDs. Readers may loan maximum 10, PhD students of the University of Pécs may loan maximum 15, and full-time teachers may loan maximum 20 documents.

Loaned documents must be returned on or before the due date, or if it is possible the date should be extended. Fines are charged for items returned after their due date (HUF 20/day/document).

We draw our kind users' attention that monitoring the deadline is their task, regardless of whether the library sends notifications.

Documents at the closed stock are only available during opening hours of the closed stock.

Renewal

If the document is needed after the expiration date, it is possible to renew the date twice personally, by phone or online at the homepages of the libraries (www.lib.pte.hu and www.csgyk.hu). The extension is based on the loan time for the given document type. In case of an expiring library card, the document's due date will be the expiration

date of the card.
The due date of reserved documents is not extendable.

Reservation

If the users want to loan a document, which is already in circulation, they can ask for reservation. Reservation is a subject to charges (HUF 100/document) which must be paid after the reservation fulfilled. Reservations can be demanded only personally, if the reserved document returns, the user will be informed (basically via e-mail). The document is set aside up to 10 days after notification, then the reservation will lapse but the obligation to pay the fee still stands in this case. Access to stock documents is regulated by the stock opening regulation.

Returning Books and documents

Returned books can be submitted at the registration desk or at the automated receiving machine next to it, or there is a possibility to return them at the circulation desks. CDs and DVDs can only be returned personally at the circulation desks.

Interlibrary loan

The libraries of the Centre for Learning offer our registered users access to materials owned by other libraries if those materials are not contained in our collections. It is available only personally with the fill of the interlibrary loan application form. In case of a request of an original document, the postal fee of the return is borne by the customer. The cost of an electronic, scanned or copied document is established by the sending library and it is also borne by the customer. Journals cannot be checked out from libraries but copies can be requested about them.

In case of a request from abroad the HUF 4,500 service fee must be paid in advance and the postal fee later. In case the document does not arrive from abroad, the service fee should be paid back after three months. Terms and conditions of the service is available at our colleagues and the following availability:
